A note for my witness

From

Day and time of the signing

Where

Thank you for being a witness.

> Please bring a photo ID. You will be asked to write your address, your phone number, and your email.

You are being asked to watch a person sign their estate planning papers, and then to sign your own name.

You are saying that they told you it was their will, that you watched them sign, and that they seemed to know what they were doing. A notary will ask you to swear that is true. You will sign while they watch you.

You are not agreeing to anything in the papers. You do not need to read them.

You cannot be a witness if you are named in the papers, if you get anything from them, or if you are married to someone who does. You also cannot be a witness if you are under 18, or if you give this person medical care. If that is you, please say so before the signing.
